

INTERNATIONAL CLASS

ABOUT OUR SCHOOL

We integrate the National Curriculum, Cambridge Curriculum, and Islamic values upheld by our Foundation to provide a holistic education. Through quality Deep Learning, we guide our students to develop positive attitude, broad knowledge, and 21st century skills, preparing them for life in a global society.

CLASS BENEFITS

- Developing Islamic character (IHSAN) and Qur'an skills through daily worship and Qur'an memorization, with a minimum target of 2 Juz.
- Integrating technology into the learning process (Digital Smart School)
- STEAM-Based Learning: developing creativity, teamwork, and problem-solving skills.
- Cambridge Lower Secondary Checkpoint for Grade 9.
- Providing diverse extracurricular activities in sports, arts, science, coding, and leadership.
- Modern Learning Spaces: Inspiring classrooms designed for engaging learning.
